RE: Special Use Permit Application **SUP-18691**  
Planning Meeting: Jan. 25, 2007 6:00pm

Dear Mr. Rankin,

In reference to the above application for a Check City, I would like to state my objection to this type of establishment. I feel that there are enough issues in this vicinity.

Please accept this as my written objection regarding this permit.

Thank you for your time.

Sincerely,

Craig Keough, President  
Star Nursery, Inc.
